

1st Jülich Workshop on Neuroelectronics and Neurotechnologies

Bringing together leading experts in neuroelectronics, biointerfaces, and organic electronics to explore the future of sensing and neural technologies

November 3rd 2025
9 - 6 pm

VENUE

Forschungszentrum Jülich
PGI Lecture Hall
(Room 365, 2nd floor, Building 04.8)

Wilhelm-Johnen-Straße
52428 Jülich, Germany

ibi-3-sekretariat@fz-juelich.de

INVITED SPEAKERS

Dr. Dirk Mayer

FZJ (Germany)

Prof. Nako Nakatsuka

EPFL (Switzerland)

Dr. Guilhem Larrieu

LAAS-CNRS (France)

Dr. Viviana Rincón Montes

FZJ (Germany)

Prof. Jose Antonio Garrido

ICREA (Spain)

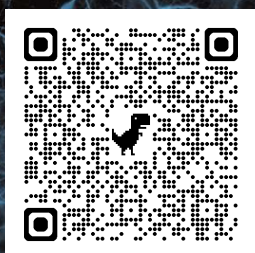

Prof. Dante Muratore

(TU Delft)

Prof. Yoeri van de Burgt

(TU Eindhoven)

REGISTRATION

<https://shorturl.at/iFV41>

Organized by the Institute of Biological Information Processing (IBI)- Bioelectronics (IBI-3)
